

## KB Top mount control

### Technical Data

## KB control

Single function, twin lever.  
Popular on commercial vessels.  
External adjustable drag control.

Suits 33C type control cables.

### Key Features

- Adjustable throttle brake to prevent throttle creep that is evident with some diesel engines. Adjustable cable stops - easily accessible through removable top cover
- Splash proof covers
- Easy cable connection facility
- Distinctive handle design helps operator identify throttle lever more easily, even in the dark
- Standard control suits 33C type cables
